La Costa, Ca - July 15, 2008. Jetworks Corporation, the leader in flexible, full service private aviation announces an extended benefit to its members – ConciAirge™, the ultimate personal 24 hour destination service for the private jet lifestyle.

"The finest aircraft, the best hotel, a grand dinner reservation and the best seats in the house. At long last, service has returned!" ConciAirge member Katharine D. Myers, Palm Beach, Florida.

ConciAirge offers a comprehensive collection of doorway to destination and personal services assembled in one place from uniquely specialized and well-informed insiders and experts, versed in a variety of milieus—from selecting the most suitable aircraft to securing hotel arrangements, reserving private islands, yachts to booking celebrities for fundraisers as well as personal and corporate security. Members provide dates and every detail is handled including in-flight gastronomic issues to securing daycare services for children to the separation of M&Ms into color-specific bowls. Members submit their requests and no issue is too big, too small, or too personal for the ConciAirge experts.

The ConciAirge Collection of fine luxury hotels, resorts, spas and private islands has been especially selected through long standing personal relationships that include the best managed properties in the world with names like the Peninsula, Four Seasons, Relais & Chateau, Ritz Carleton and Rosewood. Many have been personally recommended by Jetworks own Chairman and Chief Executive Officer, A. Michael Hyde.
